## PROFILE

In addition to my developing computer science education, I have an eye for graphic design. I'm excited to apply and develop both of these skills in a work environment, and ready to tackle new ones. Mostly, I want to have work that I can invest myself in, that I can be proud of.

## EDUCATION

2018 – 2020 (*anticipated*)

- Associates of Computer Science  
College of Southern Idaho. I'll be graduating at the end of summer semester.
- GPA: 3.72/4.0
- On the Dean's List

2017 – 2018

- Senior project: a functioning mobile game prototype built in Unity Engine with C#.

2016 – 2018

- Graphic Communications,  
Cassia Regional Technical Center (CRTC),  
completed with Adobe Certification in  
Illustrator and Photoshop.

2012 – 2018

- Oakley Jr/Sr High School, Class of 2018.

## SKILLS

- Image & Design Tools
  - Adobe Illustrator, Photoshop
  - Affinity suite
- Office and other document software
- HTML & CSS
- C++
- C#
- A little git, via SourceTree and Visual Studio Code.
- Unity Engine
- Argumentative and expository writing

## WORK EXPERIENCE

June 2020 – Present

- Client Service Representative at Mr. Wash.

June 2019 – Aug. 2019

- Bridge saw / forklift operator at Star Stone Quarries.

Aug. 2018 – May 2019

- Maintenance as CSI Work-Study.

And more previous work experience...

## AWARDS AND ACCOMPLISHMENTS

- Receiver of Harrison Family Scholarship.
- Designer of 2018 CRTC T-shirt.
- SkillsUSA Idaho 2018 Banner Design Contest, Bronze
